

Marvelous Success

The fundraising social for China earthquake relief has collected \$2,966 in just a few days!

Many thanks go to all the dancers who attended the special social and others who could not attend but still made contributions. We appreciate your generous and hearty supports of the charity efforts of Sue & Kathy Line Dance.

During a warm gathering at Hong Fu Restaurant on 06/23/08, our donation was entrusted to Shin Shin Educational Foundation (<http://www.shinshinfoundation.org>) to be combined with contributions from other sponsors in the United States to help rebuild schools in Sichuan.

We sincerely hope our contribution will help restoring the education facilities damaged due to the earthquake.
